SYSTEM/ELISS Summer Program: Camp STEMulation

PIM Elementary Students visited the Scotland County Memorial Library on Wednesday, June 18th, 2025. They had an enlightening, fun, and educational experience learning all about turtles. The presenters shared information on Boxed, Snapping and Sea Turtles. Students learned that Snapping Turtles can live on land and in the sea. They also learned that turtles have different shells and feet that help them adapt to their environment. Students were allowed to touch the Snapping Turtle at the end of the show.

SYSTEM/ELISS Summer Program: Camp STEMulation cont.

Partners In Ministry Elementary students visited the Scotland Memorial Library on Wednesday, June 25th. The library hosted the NC Symphony from Raleigh. The presenter shared information on several instruments to include string, bras, percussion etc. He talked about high and low pitch and how to make the vibration sounds. He also demonstrated how to play the instruments.

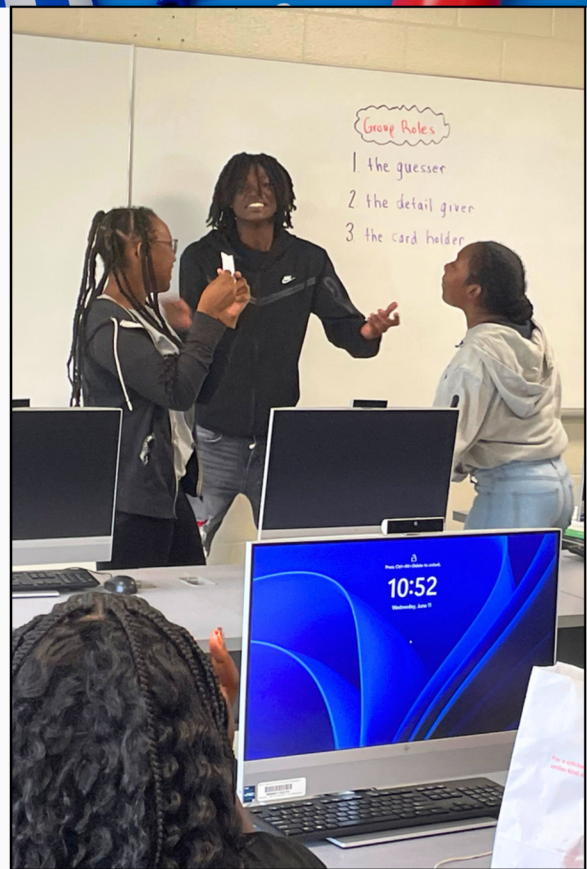

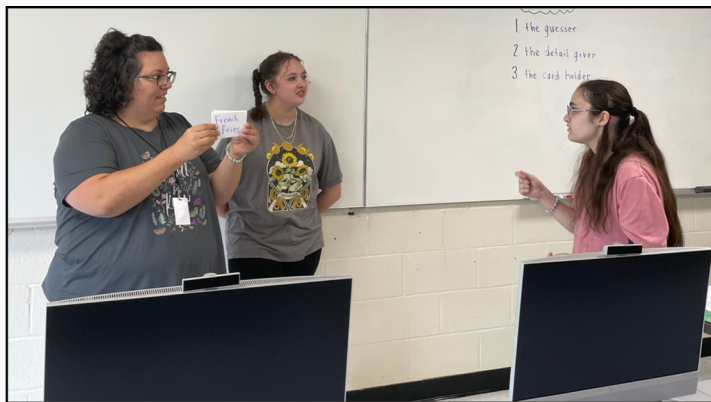

The students were excited and participation was high. At the end of the presentation, the presenter allowed the students to come play an instrument which invited a lot of laughter and fun.

Upward Bound Summer Component

During the Upward Bound summer program, students participate in educational activities from Monday to Thursday, including courses in math, English, Biology, Chemistry, art, theater, physical education, and Spanish. On Wednesdays, they gain internship experience at local sites like Scotland Memorial Hospital and Earl's Electric.

Fridays are dedicated to fun field trips that promote team-building. The program culminates in a banquet celebrating student achievements, where scholars will present their projects and internship experiences. Finally, the summer session concludes with a trip to Pigeon Forge, Tennessee.

JCPC Summer Program

The JCPC mentees have started their summer program on June 16th. This summer's schedule will consist of “work-like” activities for mentees to gather experience in the workforce.
