## Upward Bound

Our students had the chance to explore the renowned HBCU, Winston-Salem State University, where they delved into the school's history and experienced campus life firsthand. Additionally, they were able to discover the diverse array of undergraduate majors and graduate degrees available at the university!

This month, our students had the opportunity to hear from former UB students, Tariq and Joh'Nesha, who shared their experiences as freshmen in college. Mrs. Sessoms provided invaluable insights into the necessary classes for graduation and what colleges expect from applicants. We concluded the month with an engaging and interactive session featuring Mr. Keith, a local artist from Laurinburg.

## ROAR & Food Pantry

In other news, our ROAR Housing program is currently accepting applications for Urgent Repair in Scotland County (up to \$15,000) and Essential Single-Family in Richmond County (up to \$70,000). Please contact us if you would like to receive an application or have any questions.

Our food pantry is a dedicated resource aimed at promoting the health, safety, and food security of our community. Every Friday, our volunteers ensure that each vehicle receives the appropriate amount of each item. We invite you to join us every Friday morning from 9 AM to 11 AM!
